

### Puppy Deposit Contract:

Picking order is determined by deposits received. If you have any questions at all, please call us and we will be happy to answer them. When you put a deposit down, please let us know that you're sending it. We will hold your place for 7 days. If by the 7<sup>th</sup> day we have not received your deposit, you will lose your place in the picking order. If you still decide you would like to put a deposit down, it will be applied when it is received. The pups are ready to leave to their forever homes around 8 weeks from birth. To alleviate any confusion when they are ready to leave, pups must be picked by 6 weeks of age. This can be done in person or via pictures and videos. Please fill in the area below, sign and return to us.
